

Canada Research
Chairs

Chaires de recherche
du Canada

Jason Barton
Neuropsychology of Vision and Eye Movements
The University of British Columbia
Tier 2 – September 1, 2004

Patrick Bennett
Vision Science
McMaster University
Tier 1 – July 1, 2001

Sheelagh Carpendale
Information Visualization
The University of Calgary
Tier 2 – January 1, 2004

Belinda S. Chang
Comparative Evolutionary Neurobiology
University of Toronto
Tier 2 – January 1, 2003

Robert L. Chow
Retinal and Early Eye Development
University of Victoria
Tier 2 – March 1, 2005

Erik Cook
Physiology of Visual Perception
McGill University
Tier 2 – March 1, 2004

John D. Crawford
Visual-Motor Neuroscience
York University
Tier 2 – May 1, 2001

Max S. Cynader
Brain Development
The University of British Columbia
Tier 1 – November 1, 2001

James A. Danckert
Cognitive Neuroscience
University of Waterloo
Tier 2 – October 1, 2002

Digby Elliott
Motor Control in Special Populations
McMaster University
Tier 1 – January 1, 2001

C. Ross Ethier
Computational Bioengineering
University of Toronto
Tier 1 – January 1, 2001

Lucie Germain
Stem Cell and Tissue Engineering
Université Laval
Tier 2 – January 1, 2001

Melvyn Goodale
Visual Neuroscience
The University of Western Ontario
Tier 1 – January 1, 2001

Elizabeth Irving
Vision Science
University of Waterloo
Tier 2 – July 1, 2001

Pierre Jolicoeur
Experimental Cognitive Science
Université de Montréal
Tier 1 – October 1, 2002

Franco Leporé
Cognitive Neurosciences
Université de Montréal
Tier 1 – January 1, 2001

Sarah McFarlane
Developmental Neurobiology
The University of Calgary
Tier 2 – June 1, 2002

Alan Mears
Genetics of the Eye
University of Ottawa
Tier 2 – March 1, 2004

Ravi S. Menon
Functional Magnetic Resonance Imaging
The University of Western Ontario
Tier 2 – January 1, 2001

Robert S. Molday
Visual Science
The University of British Columbia
Tier 1 – January 1, 2001

Douglas Munoz
Neuroscience
Queen's University
Tier 1 – January 1, 2001

Allison Sekuler
Cognitive Neuroscience
McMaster University
Tier 2 – July 1, 2001

Nikolaus Troje
Vision and Behavioural Science
Queen's University
Tier 2 – July 1, 2003

John Tsotsos
Computational Vision
York University
Tier 1 – October 1, 2003

Douglas Wong-Wylie
Behavioural and Systems Neuroscience
University of Alberta
Tier 2 – July 1, 2003
